General Advice

Show this safety data sheet to the doctor in attendance. Immediate medical attention is required.

| | |
|-----------------------------------|--|
| Eye Contact | If symptoms persist, call a physician. Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if applicable, and continue flushing. Keep eye wide open while rinsing. Do not rub affected area. |
| Skin Contact | Wash skin with soap and water. In the case of skin irritation or allergic reactions see a physician. Wash off with warm water and soap. |
| Inhalation | Move to fresh air. If not breathing, give artificial respiration. Administer oxygen if breathing is difficult and you are trained. |
| Ingestion | Do NOT induce vomiting. Clean mouth with water and afterwards drink plenty of water. Never give anything by mouth to an unconscious person. Consult a physician. |
| Protection of First-aiders | Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Remove all sources of ignition. Use personal protective equipment. For personal protection see Section 8. |
